348	6/9/2005	Lot at 4th and Plum (Next to 313 4th Street)	Vacant. It is buildable? Should city purchase and turn into park?	Community Development and Planning	J. Walke	DCDP does not feel that the vacant lot is suitable for a pocket park and does not advise that the city purchase it.
349	6/9/2005	Business district of 4th	Lighting. Can it be redirected?	T&E	S. Bailey	The street lighting discussed here is facade lighting that was installed under a street scape project and is now currently assessed. These lights are "spot" type lights that were installed to light up the building faces and redirecting them to the street
350	6/9/2005	105 W. 4th	Possible code issues	B&I	R. Thomas	The building code issues have been resolved.
351	6/9/2005	105 W. 4th	EnviroClean looking for new downtown location	Community Development and Planning	S. Stevens	The company is looking for at least 4K sq. ft. to park several vehicles and store equipment. I have notified her of potential space available at the Queensgate South development and am compiling additional contact information for other properties in the
